

I'm a multidisciplinary designer and color addict based in London.

My work is mainly oriented to brand identity, editorial design, UI and type design. I also love geometric photography and illustration.

Work experience

Lino Russo Design

Designer Freelance Naples — Jan 2017/Sep 2018
As freelance I worked with international and local brands mainly on a branding project and sometimes UI/UX.

Pazzi Design Studio

Graphic Designer Milan — Nov/Dec 2016
During my period in this studio, I was in charge of social media and visual design for **Timex America** and editorial design for **Versace**.

Cabiria BrandUniverse

Graphic Designer Milan — Oct/Nov 2016
In Cabiria I collaborated for two main projects: the logo for **Banco BPM** and the logo for the app **Allianz Now**.

CBA Design Italy

Graphic Design Intern Milan — Jan/Jul 2016
In CBA I was in charge of brand identity, editorial design and packaging for **Gi Group, De Cecco, Molino Caputo, Pasta Amato** and **Parmalat**.

Figmenta

UI Designer Milan — Sep 2015/Jen 2016
In Figmenta my responsibility included websites, landing pages, videos, banners and for two main clients: **Wella Italy** and **Procter and Gamble Italy**. Many times, I prepared shooting for websites or social posts.

LG Electronics

Remote Collaboration Naples — Feb 2015
During the University LG contacted me because they were interesting in buying two my artworks as official smartphone wallpapers respectively for **LG G4** and **LG Stylo**.

Aēsop Cosmetics

Remote Collaboration Naples — Jul 2014 and Sep 2015
I was contacted twice by the famous cosmetic brand for buying some of my artworks to promote their products: in the 2014 the product was **Protective Body Lotion SPF50** while in the 2015 **Petitgrain Reviving Body Gel**.

Language Room

Graphic Design Intern Malta — Sep 2011
After my high school diploma, I got an european internship in Malta. There I worked with a software development agency specialised in education for 1 month. I was in charge of graphic design area and printing aspect.
